Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$875,000 in community project funding for the Connecticut Audubon Society (CAS) Coastal Center at Milford Point.

The entity to receive funding for this project is the Connecticut Audubon Society (CAS) Coastal Center at Milford Point, located at 1 Milford Point Rd, Milford, CT 06460.

The Connecticut Audubon Society Coastal Center at Milford Point would use this funding for their Modernization and Technology Enhancement Project to enable the expansion of CAS's hands-on school, afterschool, and summer science enrichment programs that support teachers in implementing Next Generation Science Standards (NGSS) in a multidisciplinary format. This support would enable the expansion of this program across K-5 grades, provide afterschool and summer science enrichment programs, and expand the high school/college mentorship/career training program that CAS launched in 2021 in Norwalk schools.

I certify that neither I nor my immediate family has any financial interest in this project.

A handwritten signature in black ink that reads "Rosa L. DeLauro".
